

Fundatul- Holds legal custody for mentally handicapped people, Marbella

OBJECTIVES	MEASURABLE INDICATORS	MEANS OF VERIFICATION	DOES IT TICK ANY OF THE 6 AREAS OF INTEREST OF RI?	GENERAL QUESTIONS	FURTHER QUESTIONS
<p>Goal: wider problem the project will solve</p> <p>Handicapped people (mostly mentally) who cannot look after themselves are being looked after (Fundatul has legal custody until they die). Handicapped adults is possibly one of the “most unattractive” group that charities take care of (children, animals, etc. “sell” much better)</p>	<p>Quantitative indicators or qualitative ways to measure goal</p> <p>Getting numbers from Fundatul: How many handicapped persons are being looked after? What age groups? How severe is the handicap?</p>	<p>Cost-effective methods. Can we visit? What reports can be provided that enable us to measure? Is monitoring possible at all or do we have to “believe”?</p> <p>We can visit, it’s local</p>	<ol style="list-style-type: none"> 1. Promoting Peace 2. Fighting Disease 3. Providing clean water 4. Maternal & Child Health 5. Literacy & Basic Education 6. Economic & Community Development 	<p>1. Is the Project Possibly Eligible for A District or Global Grant? n/a</p> <p>2. Does the Organization have a separate bank account for the Project? Yes</p> <p>3. Does the Organization give recognition to donors and if so, how? Yes, logos on t-shirts for solidarity fun run etc.</p> <p>4. What does the recipient organization contribute?</p>	<p>1. Is it apparent that the organisers have identified all the resources (people, materials, permissions etc.) likely to be required; and provided evidence that all such resources can be obtained as and when needed? If so, are there cost estimates for each such resource and do they look reasonable? Yes, there is. Long running ONG</p>
<p>Purpose: Immediate impact on target group or area. I.e. the change or benefit expected from the project</p> <p>Giving these people a decent life, shelter,</p>	<p>Quantitative indicators or qualitative ways to measure which difference does our contribution make to the recipients</p> <p>Looking at numbers</p>	<p>Cost-effective methods. Can we visit? What reports can be provided that enable us to measure?</p>		<p>5. What makes the project sustainable and possible replicable? Are the recipients involved YES into the development and implementation processes of the</p>	<p>2. Have the organisers made a reasonable attempt at establishing the likely main risks to the execution and/or success of the project and, if so, have they established how such</p>

<p>medical care, work if they are capable to work (for ex. People with Down Syndrome)</p>	<p>(provided by Fundatul) of how many people are being looked after and what would their life look like without Fundatul</p>			<p>project? YES</p>	<p>risks can be avoided and/or mitigated? Organization exists for ears and has proven its success and sustainability</p>
<p>Outputs: direct results expected from the project that serve the purpose</p> <p>Giving these people a decent life, shelter, medical care, etc</p>	<p>Quantitative indicators or qualitative ways to measure outputs</p> <p>Looking at numbers (provided by Fundatul) of how many people are being looked after and what would their life look like without Fundatul</p>	<p>Cost-effective methods. Can we visit? What reports can be provided that enable us to measure?</p> <p>We can visit. Fundatul's president is a Rotarian too and founder of RC Benahavís. She understands which criteria have to be met for a RC to support a project</p>		<p>6. Do recipients have ownership of the project once implementation and funding is finished (if not so, the project is NOT sustainable).</p>	<p>3. Have the success criteria of the project been defined (i.e. has someone completed the statement "this project will be deemed to have been successful if/when...")?</p>
<p>Activities: Tasks to be done to serve the purpose</p> <p>All-round service for handicapped people</p>	<p>Input: project budget. Cash and time put in by Rotary Club</p> <p>Contribution we want to give. The structure of the charity is continuous support, so there is permanent cost. They are happy with what ever we give.</p>	<p>Outturn. What was achieved with our input?</p> <p>All-round service for handicapped people. The structure of the charity is continuous support, so there is permanent cost.</p>			<p>4. Is there a defined project management framework in place and, if so, how (and by whom) will the progress of the project be monitored against it?</p>

Logframe for Approval of supporting Social Projects (Martina Spann, RC Marbella-Guadalmina, July 2017)
